CLASS DESCRIPTIONS

LES MILLS FITNESS CLASSES

LES MILLS **BODYBALANCE**

A Yoga, Tai Chi and Pilates workout. Controlled breathing and structured stretches, moves and poses to build strength and flexibility.

LES MILLS **BODYCOMBAT**

An energetic program inspired by martial arts such as karate, boxing, taekwondo, tai chi and muay thai. Strike, punch, kick and kata your way to cardio fitness.

LES MILLS **BODYPUMP**

Strengthen your entire body with the original barbell class. Challenge all your major muscle groups through high repetition movements for muscle conditioning.

LES MILLS **BODYSTEP**

An energising step workout. Cardio blocks push systems into high gear followed by muscle conditioning tracks.

LES MILLS **SH'BAM**

A fun-loving, insanely addictive dance workout. SH'BAM™ is an ego-free zone – no dance experience required.

SMALL GROUP TRAINING

All Small Group Training classes run for 30 minutes.

Core

Build movement, mobility and core strength through body weight exercises.

HIIT

High Intensity Interval Training using multiple short intervals on various equipment to get you fit, fast.

Strength

Improve strength and technique on major lifts like squats, deadlifts and presses.

X-Press

A high intensity circuit class using machines and free weights. Increase your mobilisation, muscular strength and endurance.

GENERAL PROGRAMS

Aqua

A high intensity class combining the use of both body weight exercises and the latest in functional training equipment to get you feeling fit, strong and energised.

CP

(Cerebral Palsy Program)

A strength training session for people with cerebral palsy. This program is suitable for people who can use gym equipment with the support of a carer, including upper and/or lower limb movement.

COLLINGWOOD LEISURE CENTRE

GENERAL PROGRAMS

DWR

(Deep Water Running)

A low-impact, running-training inspired workout in the water with the challenge of extra resistance.

Freestyle Step

A unique cardio step workout for your body and mind. Class is suitable for participants of all abilities and fitness levels.

HIIT 45

A high intensity class combining the use of both body weight exercises and the latest in functional training equipment to get you feeling fit, strong and energised.

Living Longer

(Living Longer Living Stronger)

Living Longer is a strength training program for people aged 50 and over which is endorsed by the Council of the Ageing. Sessions involve weight training, stretch and core work.

Please note - medical clearance and an initial assessment is required before you can participate in program.

Pilates

Exercises that build core strength, support lower back and bring flexibility to spine, hips and shoulders. *Unsuitable during pregnancy.

SMS

(Striving for Maximum Strength)

Our strength training program supporting people with chronic health issues. The program is designed to help you maintain an exercise routine and train independently. Sessions focus on building muscle strength, flexibility and balance.

Spin

Indoor cycling with adjustable resistance for all levels. A fantastic cardio workout. Virtual classes powered by ICG - Myride® Studio Coach and Myride® Tour Coach.

SwimFit

For the independent swimmer who wants to dive straight in and go for it. This session is perfect for confident swimmers who are looking for a challenge in a social and inclusive environment.

SwimFit Pace

Perfect for swimmers looking to focus on developing their stroke or are new to group swim sessions.

SwimFit Express

For all SwimFit and SwimFit Pace swimmers. A shorter 45 minute session, but still a great workout during your lunch break!

SwimFit+

For all SwimFit and SwimFit Pace swimmers. A 90 minute session perfect to build your endurance, technique and work harder for longer!

Yoga

Unites the body, mind and spirit and can help align posture and increase range of movement. It increases flexibility and balance, and helps with relaxation.

Zumba

Join the party! A mix of low and high intensity dance moves for an interval fitness party.
